

Attention: To those who may concern

GES grants this recognition to

CODISA CORP ENERGY, S.A. DE C.V. (MÉXICO)

For work performed in the Eólico de Coahuila; performing grouting of foundations for wind towers, with CONBEXTRA BB92, from the FOSROC brand, which have been delivered to our utter satisfaction.

We express our most sincere congratulations.

Coahuila, México on October 18, 2016.

Yours faithfully,

Óscar Fernández López
Civil Production Manager (GES)
