

Attention: To those who may concern

CJR WIND grants this recognition to

CODISA CORP (USA)
&
CODISA CORP ENRGY, S.A. DE C.V. (MEXICO)

For work performed in the *Wigton Wind Farm III*; performing grouting of foundations for wind towers, with CONBEXTRA BB92 O and NITOCOTE CM660, from the *FOSROC brand*, which have been delivered to our utter satisfaction.

We express our most sincere congratulations.

Kingston, Jamaica on October 6, 2015.

Yours faithfully,

Nuno Xavier

Civil Production Manager (CJR Renewables),
